Prof. D. R. Mishra
Chairman

PROSPECT IN COMMERCE EDUCATION

Commerce education provides the background for building entrepreneurs. In the present day's unemployment crisis it brings employment opportunities. There is no saturation in management. Commerce education provides career opportunity in MBA, CA, ICWA, CS etc. It makes a student self sufficient and self reliant. Of late the importance of commerce education is also felt among the youngsters. Even students after completing technical education like engineering, IIT etc. are also migrating towards commerce education. It is a pleasure than KCC in 'Odisha' is the pioneer in spreading commerce education throughout the state.

ORGANISATIONAL SET UP

Kalinga college of Commerce founded in 2005 under the auspices of Upasana Education trust is a pioneer in commerce education. In the present liberalized scenario commerce as a subject has much relevance than others. KCC justifies such relevancy by providing quality education at an affordable cost. It provides coaching and teaching under one roof.

MISSION OF KCC

- To provide right study environment to the students so as to develop them for a job oriented career and to face challenges in their real life situation.
- To develop tomorrow's business leaders through integrated learning and industry -academic partnerships.
- To create high degree of intellect, Knowledge, Ethics, Integrity, Character & Entrepreneurship among students.

VISION :

- The vision is to be best institute in providing commerce education in the state in particular and in the country in general.
